

Season 2 Episode 11- Appetites to be sated

Merry Christmas and a Happy New Season!

In the News

Marvel gobbles up FF and XMEN, this may actually make me excited.

Star Wars- The Last Jedi

Everybody just calm the fuck down!

<http://comicbook.com/starwars/2017/12/19/star-wars-last-jedi-canon-petition-debunked/>

Touch on a little bit of toxic fandom

So called fan faux outrage Boo-hoo the movies have no interest in conforming to your head-cannon or any of the pre disney SW extended Universe.

Rose

The complexity of KR

The revelation of Ray's background

The very clear messages of be your own damn hero, letting go of the past while simultaneously recognizing its importance

Never meet your heros because they are just as human and flawed as you.

Monthly topic- Ideas (please add your own)

That new expensive toy gaming toy

- Switch
- VR
- Upgraded Xbox and Playstation consoles
 - Get your kids/nephews/neices the previous gen systems because those have huge and CHEEP libraries content

Patreon-<https://www.patreon.com/gatewaygeeks>

Years end - Why do we need libraries?

There were appetites to be sated, no matter how cold the water became, no matter how strange the sea turned. As long as there were bellies, they would need to be fed. As long as there was life in the sea, there would be teeth. -Mira Grant
