

Welcome listeners to the Gateway Geeks Podcast- Season 2 Episode 10- Will the Apocalypse have Wifi? Aaron is away, so Chris is sitting in! Join Joe and Chris as they discuss Thor: Ragnarok, Marvel, Godless, The Punisher, The Man in the High Castle, and the greatest disaster for which no prepper can truly prep. Be sure to check out the updated website at [gatewaygeeks.com](http://gatewaygeeks.com), and stay tuned for new movie reviews, videos, and more in the next couple months. If you have questions you'd like us to answer on-air, send them to [contact@gatewaygeeks.com](mailto:contact@gatewaygeeks.com) or tweet us @gatewaygeeksSTL.

Thor: Ragnarok Black Panther- February 16- the last marvel film about which Joe gives even the smallest of fucks.

The Punisher: What happens when a show's creators know their premise is bad.

Thor/Black Panther/Wonder Woman: how diversity behind the camera can save super hero films.

Godless: how a lack of diversity behind the camera neuters diversity in front of it.

Year-enders

Chris-The Big Sick/ Wolfenstein II

Joe-

The Man in the High Castle/Nintendo Switch Zelda
