

Welcome listeners to Season 3: Episode 20 of the Gateway Geeks Podcast- Tom Hardy and the Lobsters. This time we are joined by Chris Knetzer to talk about GenX's inability to express sincerity in popular culture, Dad, Star Trek, rehabilitating George Lucas, and our possibly naive hopes for upcoming CD Projekt Red games! This is a deep stream-of-consciousness rabbit hole, so let's follow Alice and Chris, as we join your hosts Aaron and Joe.
